Llano River Railroad Makes Friends at Llano Earth Art Fest

We set up a booth and told as many people as we could about the upcoming open house on May 17th. We told everyone that the Pullman Car will soon be booked as a Special Event Center. Also about our plans to have an excursion train service along the Llano River. There was a lot of interest and surprise that this project was going on in Llano. Please tell your friends about what we are doing. We want to give people a sense of ownership in the historical heritage that the railroad brings to them.

Mark Your Calendars!! Don't Miss This Train!!

This is your chance to see Llano's new Special Event Center that will be available for booking for meetings, parties and special events. We have started to renovate the interior of the Pullman car, but we need your help to fully restore this Grand old 1954 dame. So please, bring your checkbook. Much remains to be done. **Psst**, psst, a coproduction with Llano Community Theater production of **"Murder on the Llano Express!"** in the fall of 2025 **is in the works.** Let the parties begin!
